Still Christmas: Three Wise Ways to Respond to Jesus

Scripture: Matthew 2:1–12

1. Look for Ways to Worship Jesus

Worship is not limited to songs or Sundays. Anything done for the glory of God can become worship.

Reflect:

- Where does worship fit into your weekly rhythm?
- How might school or work become worship?

Action:

- Commit to weekly corporate worship.
- Offer one daily activity to God as worship.

2. Look for Ways to Give to Jesus

The wise men gave generously out of their abundance, not leftovers.

Reflect:

- What has God entrusted to you?
- How does generosity shape trust?

Action:

- Review your giving.
- Bless someone in need this week.

3. Take Your Next Step with Jesus

Following Jesus often means choosing a different path guided by obedience.

Reflect:

- Where might God be leading you differently?

Action:

- Pray and identify one next step of obedience.
